

## Comment-

### Group 1.

Raqad - Looks at the script more rather than being interactive.

Bin Firoj - was good in ~~structure~~

### Group-2

### Group-2

### ~~Group 3~~

### Group 3

1) We should be <sup>interesting</sup> get long time. (proper management of time).

2) Saad bin

3) Sibgatullah - Use of words, gestures, postures were the same from the beginning. There should be variation.

4) Orbinde Low in Volume.

5) Saad bin Sayeed (Low and monotonous).

### Group-4.

Have got confidence. Pronunciation of some words can be improved.

### Group 5.

Afza - Hands on face, activities should not be repeated.

Nayeen - Should have interaction with all.

Listening is respecting. Importance should be given to all. Unity is a good thing when all smile together.

## Group-6

Rafat - The discussion starts with a serious tone. The introduction can be more friendly.

x (good use of hands and movement).

Mahm - spontaneous and good performance.

Nayema - Reads out from the script which creates a poor impression.

## Group 67

Iqbal Rafat - Beginning was not clear.

Nusrat lacks in confidence.

Throughout very serious. Looks at the scripts.

Iftikhar - just a regular one. The content is not organized.
